Proudly Presents ...

“EXPLORE THE 8 ESSENTIAL ELEMENTS OF MATH INTERVENTION”

WITH

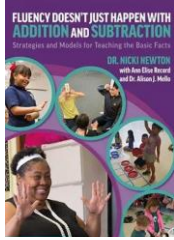

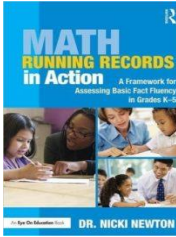

DR. NICKI NEWTON

ON

SATURDAY, JANUARY 20, 2024

9:30AM – 11:30AM

VIA ZOOM

Dr. Nicki Newton is an education consultant who works with schools and districts around the country on elementary math curriculum (including best practices, guided math and math centers) as well as curriculum mapping. She has taught elementary school, middle school, and graduate school. Having spent several years as a bilingual teacher and staff developer, she has an extensive background in Sheltered Instruction and English Language Learner Strategies.

Please join us for this engaging, informative, research-based workshop on Math Intervention. Through discussions and videos, Dr. Nicki will “Explore the 8 Essential Elements of Math Intervention”. We will look at how to get started, how to accelerate learning, how to progress monitor and more. We will explore checklists, blackline masters and inventories that help to plan and assess current Math Intervention Programs. Come and join us today and leave with actionable items that you can implement right away.

[This workshop is for Educators from Kindergarten through 3rd Grade.](#)
