

Dr. Marnie Ginsberg

Dr. Ginsberg, researcher, teacher, staff trainer, tutor and founder of Reading Simplified Academy will be presenting for NJAKE on

**Thursday, November 13, 2025
on Zoom at 7pm.**

Dr. Ginsberg will be demonstrating the Reading Simplified strategies of Switch It, Read It, and Sort It and discussing their advantages in getting beginning readers started, helping struggling readers become competent, and helping all readers become more confident. Reading Simplified Academy is evidence based and aligned with Contemporary Science. The integration of sounds and symbols simultaneously from the beginning of reading, along with sequential word lists have been shown to accelerate reading progress.

Participants will receive some Reading Simplified resources to get started using these activities with their students.
